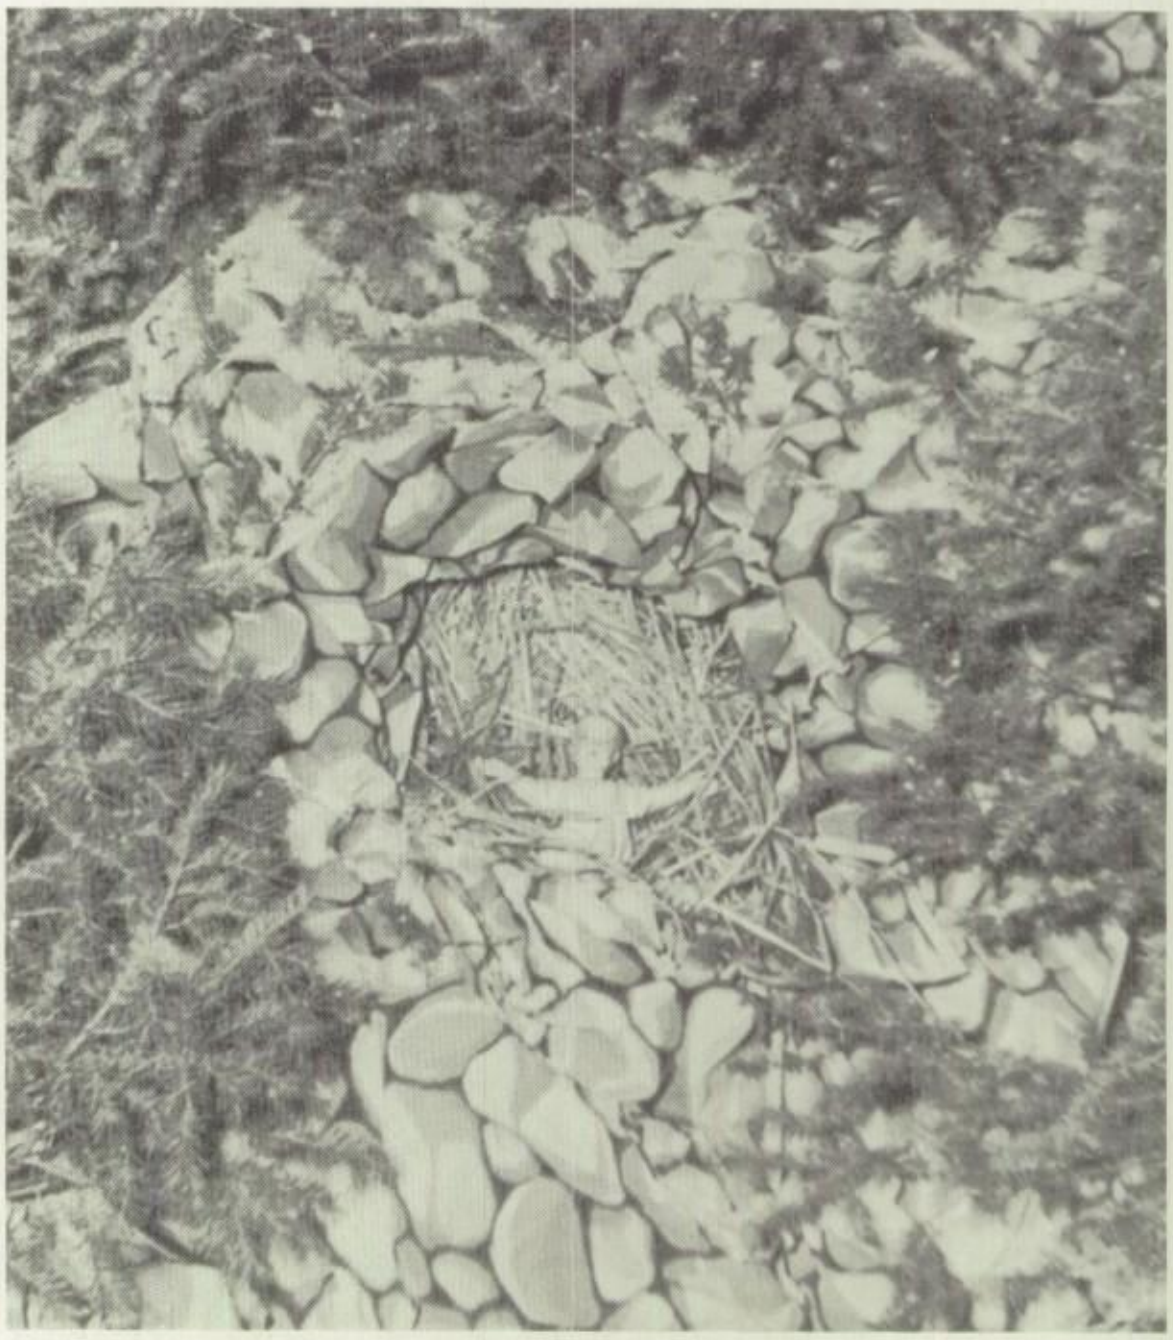
For Sodalists Only

The aim of the Sodality of our Lady is to foster in its members an ardent devotion, reverence, and filial love toward the Blessed Mother. Through this devotion, the Sodality seeks to make all Sodalists good Catholics, Catholics striving to sanctify themselves, and to save and sanctify their neighbors.



Christmas Project

Pictured above is the replica of Bethlehem built each year by the Sodalists of St. Francis. The crib is always placed near the end of the hall where all Fransalians pass every day during the month of December.

Sodality Officers

Prefect .....Shirley Van
Vice-Prefect .....Fred Boom
Secretary .....Joan Carvalho
Treasurer .....Mary Conley

The Sodality sponsors two meetings a month at St. Francis, the second and fourth Tuesdays.

The Little Office the Blessed Virgin Mary is recited by the student body on the second Tuesday of each month.

Spiritual talks to increase the personal holiness of each Sodalist are given on the fourth Tuesday. Sister Ancilla is moderator of the Sodality.

Sister Damien, mission loving moderator, led St. Francis' students to a greater way of prayer, work and sacrifice in the year 1953.

C.S.M.C.

Mission Officers

John Reilly was one of nine students from St. Francis to attend the National C.S.M.C convention at Notre Dame last summer. The inspiration he received there impelled him to work earnestly for the Mystical Body. Cooperative endeavor was the secret of John's success as president of the St. Francis unit.

Jerry Van Dyke, vice-president of the Denver Conference of the C.S.M.C., successfully managed the Mission Talent Show for two years. At Notre Dame, Jerry was elected to the National Executive Board of the Mission unit. His zeal on the home front has lightened the burdens of many who are active laborers on front lines.

Speaking of China

Bishop Fulton Sheen's World Rosary surrounds our Lady as Bishop Quinn tells of China's needs. Josella Lubeck, who was born in China, introduced the noted speaker to the C.S.M.C. regional meeting held in St. Francis' auditorium.

Public Relations

Edward Burke, public relations man for the Missions, wrote a feature column, "Crusaders' Corner," for every edition of the school paper, *The Fransalian.*

Coach Everett Stewart, an alumnus of the Cathedral Bluejays and the Regis Rangers, became head football coach of the Gremlins for the 1952 season. His personal interest in the boys on his team led the sport writers of the *Fransalian* to pay him the following tribute: "Ev is like Knute Rockne — he is more interested in developing men who play football than in developing football players." The rugged determination of the team to stick together and play the season out — win or lose — is proof of the success "Ev" had with his football players.

Epilogue

The story of the Pageant of Youth at St. Francis de Sales is now ended. It is a story that sings of our school life in 1953. The song is over, but the melody of our God-given principles imparted to us by the priests and Sisters of St. Joseph will linger on forever in the life that lies ahead.

Through the years, as we gaze back on this pageant of 1953, there are certain names connected with the publication of this annual that we wish enshrined in our grateful memories; hence, we shall record them for posterity.

Monsignor Smith, our pastor and friend, who gave us support in all our projects.

Mother Thomasine, our principal, who always gave us permission, "just this once," to take our material to Hirschfeld's.

Fr. Robert Kekeisen, journalism teacher, who kept us happy by constantly telling us we would have the annual out on time.

"Andy" Martelon, of the Hirschfeld Press, who stayed on our side and calmed us when some of our fellow classmates began to wonder if the annual would be underneath their Christmas trees.

Caeser Morganti, Warren Turilli and Joseph Bianci, who never complained when they had to work overtime to take the pictures we forgot.

Dennis Donnelly and his powder blue car that always had enough gas to take our rushes.

Finally, with grateful thanks to all members of the faculty and the student body who supported us in every way, we repeat our theme from the Medieval Ages — FORWARD FRANSALIANS! GOD WILLS IT!
